GAA MEETING

1. Training (7 trainees; 4 preflight, 1 inflight, 2 about to start FD).
 1. Please call, the more calls we get the more real world practice they get and can certify quicker. (Please be patient, if you hear something crazy, just know a certified specialist is listening and will fix it)
 2. Turnover rate throughout FSS.
2. Overall staffing 22 of 31 70% (includes ORT and BRW FSS)
3. We encourage you all to file and activate FP's also if you use us with any regularity Master Flight Plans are amazing.
4. Pilot Reports, why they are important.
5. Enhanced Search and Rescue Reporting Service and two way texting
6. Increase in pilot outreach.
7. Questions?
